Sir,

I have the honor to state that Government were pleased to sanction an increase of Rs 5/- to the pay of the Octroi Duntoaddy of Davangere Municipality, as allowance to the then incumbent Chamundeswab - Vide Government Proceedings No. 4507-8/ Rev 158-07-2 dated 25th November 1907. Since the receipt of the above Government order, Chamundeswab went on long leave and never drew his salary at the increased rate and subsequently died During this period of his leave, one Konen Rao, Revenue Sheristha of the Davangere Taluk was appointed to act as octroi Duntoaddy from 18th March 1908 and continued as such till the end of March 1909 In consideration of the above circumstances, he was allowed to draw the allowance sanctioned in Government order quoted above, i.e.

the

the end of March 1909. But the Comptroller took objection to the grant of the allowance of Rs. 57- to the above acting incumbent on the ground that it was sanctioned only to the permanent incumbent but not reckoned for his pension. Thereupon orders were issued to the Vice President of Davangere to withhold payment of the allowance to Konen Rao and recover the amount paid in excess But he recommended that in view of the importance of the work and the vigilance which it required, Konen Rao referred to, was appointed to act in this temporary vacancy, the duties of which he discharged very satisfactorily, and that therefore he was entitled to get the increase, because the permanent incumbent drew no part of the allowance ever since it was sanctioned by Government. Moreover the income derived during the period of his acting incumbency on actual duty, was far in excess of the amount realized during his predecessor's time as may be seen from a kind perusal of the enclosed statement It is but just and fair that the increase already drawn by the official, should be allowed to him as he was not even guaranteed the grade allowance accruing to other officers during this period

This question was referred to the ——

Municipal Board of Darrangiri for its consideration, and they in their meeting held on the 10th February 1910, passed a resolution recommending the grant of the allowance to Komari Rao during the period of his acting appointment. A copy of the Board's resolution in the matter is herewith submitted for favor of perusal. In view of the fact that the permanent incumbent did not draw the allowance and that Komari Rao has shown considerable increase of Revenue to Municipal Funds during this period, and that it will be very hard on the poor official if he is now made to refund this amount, I recommend that sanction of Government may kindly be accorded to the proposal of the Municipal Council.

The statement showing the recommendations received from the municipality is herewith submitted.

I have the honor to be

Sir,

Your most obedient servant
